

Installation Instructions for the TBXZ-1-94 adapter GOLD/SILVER RX/PX size 025/030

1. General

The adapter is used as a transition between air outlet on GOLD/SILVER RX/PX Top sizes 025/030 and duct accessories.

2. Installation

The adapter is mounted to the air outlet of the AHU (1200 x 400 mm) by means of slip clamps. The duct accessory (1200 x 500 mm) is then mounted to the adapter by means of slip clamps.
